Sonar Quick User Guide

The site is due to be updated – the user page may change in appearance – but the same links will appear)
The site for making patient records and checking you messages and information pages for updates is

www.sonarhealth.org or http://www.firstpct.org

The London vaccination service will have important new options, the service, flu, national flu, PPV and Appointments (online bookings) - Staff from NHS trusts will be able to make appointments(preferred date and time) with your pharmacy, it is important you make contact with anyone and arrange ACTUAL date and time, and book via the Sonar System with your pharmacy.
